

HEALTH & SAFETY POLICY

We, at YAT GUAN (M) SDN BHD are dedicated to ensuring the health and safety of all individuals associated with our operations. We understand the importance of maintaining a safe work environment and are committed to complying with all relevant health and safety laws, regulations, and standards. Our aim is to continuously improve our health and safety management system to protect our employees, contractors, visitors, and customers.

To achieve our commitment to health and safety, we will implement the following policies and procedures:

- Comply with all applicable health and safety laws, regulations, and standards related to wooden pallet manufacturing.
- Develop and maintain a comprehensive health and safety management system tailored to the specific hazards and risks of our operations.
- Provide necessary resources, including training and equipment, to ensure the effective implementation of our health and safety management system.
- Promote a culture of health and safety by fostering open communication, encouraging employee involvement, and providing regular training and education on safe work practices.
- Conduct regular assessments and audits to identify and mitigate workplace hazards and risks, with a particular focus on machine operation, manual handling, and woodworking processes.
- Establish and maintain protocols for the safe operation and maintenance of machinery and equipment, including regular inspections and preventive maintenance.
- Ensure that all employees and contractors are aware of their responsibilities regarding health and safety and provide them with the necessary training, instruction, and supervision.
- Implement effective measures to prevent and respond to incidents, including prompt reporting, investigation, and implementation of corrective actions.
- Continuously monitor and review our health and safety management system to identify areas for improvement and implement necessary changes.

We believe that our commitment to health and safety is a fundamental part of our business. By implementing these policies and procedures, we are confident that we can provide a safe and healthy work environment for all individuals associated with our business.
